

# Oklahoma Motorcycle School (OMS)

---

Thank you for enrolling in the Basic Rider Course (BRC). We're committed to providing you with the highest quality of rider education in a safe, positive environment. Please take a moment to review the following information, which will help you to prepare for the course.

## How to Succeed in the Basic Rider Course:

### Be on time

The RiderCoaches need to get class started on time. We suggest you plan to arrive one half-hour early. Please note that directions to class have been attached to this e-mail. We highly recommend that you print them out and use them to find your way.

**If you are late, you will be DROPPED from the class**

### Be properly dressed for the riding sessions

The required clothing and footwear are:

- Sturdy, over-the-ankle boots
- Denim or other heavyweight pants
- A long-sleeved shirt or jacket

If you have your own DOT-compliant helmet, eye protection, and gloves, you're welcome to bring them. Otherwise, we will lend these items to you.

**NOTE: Half-helmets are not permitted at OMS, regardless of whether they are DOT-compliant.**

**If you aren't dressed properly, you'll be DROPPED  
From the class**

### Bring required documents and, if required, a parent or legal guardian

To begin the class, you must bring **one** of the following:

- A valid Driver's License, and/or Copy of Birth certificate (only if you're under 18)
- Copy or picture of eCourse certificate

If you are under eighteen years old, you will also need a parent or legal guardian present to sign your waiver form. Once they do that, they are free to leave, and you'll be good to go!

## Rest, Food, and Water

Make sure you've had adequate rest and food before class. You will have a lunch break and there are several restaurants nearby, but **we suggest you bring water and snacks** based upon your needs.

## Understanding Expectations

If you come prepared, we'll make every effort to guide you successfully through the BRC. However, please understand that not every student successfully completes the course. If you are unable to meet the objectives of an exercise or if you pose a safety risk to yourself or others, a RiderCoach may counsel you out of the course.

**There is NO GUARANTEE that you will pass the course**

## Cancellation / Reschedule Policy

(As listed in the Terms & Conditions)

OMS must receive cancellation/rescheduling requests prior to 2 calendar days before the start of the scheduled class.

All cancellation requests made prior to 2 calendar days before the start of the scheduled class will incur a \$50 processing fee. A refund will be made in the same form as the original payment; if a credit card was used that card will be credited. All refunds will be processed within five business days.

Rescheduling of a class date may only be possible for students who call OMS **2 days or more** before their scheduled class date. Rescheduling will be done on a space-available basis. We make no guarantee that you will be able to reschedule to the specific date you request. There is a \$10 non-refundable administrative fee to reschedule if your request is granted. Please do not call OMS if your scheduled class date is less than 2 days away. If you cannot and do not attend your scheduled class you forfeit your registration and your registration fee.

To request a reschedule 2 days or more prior to your scheduled date call OMS at: **(405) 761-8777**.

## Passing the BRC

### *Written Knowledge Test*

You must score 80% or better to pass the Written Knowledge Test. Students who do not pass the test will be given the opportunity to retest. Scheduling the retest is at the discretion of the RiderCoach. Only two opportunities are given to pass the Written Knowledge Test.

### *Riding Skills Evaluation*

You may accumulate no more than 16 points to pass the Riding Skills Evaluation. Students who do not pass the Riding Skills Evaluation will be given one more opportunity to take the test again. Rescheduling the riding skills evaluation is at the discretion of the Site Coordinator. Only two opportunities are given to pass the Riding Skills Evaluation.

Upon successful completion of the BRC you will receive a MSF COMPLETION CARD. This CARD should be taken to a DPS, where it will be treated as proof of successful completion of a Class & Licensing Skills test.

**If you are under eighteen years old, You must present the required documentation for identification and school requirements; take a vision, the Basic “Rules of the Road” exam and a Motorcycle Safety Foundation completion card from OKLAHOMA MOTORCYCLE SCHOOL. Individuals under the age of 16 must hold a motorcycle permit for 30 days. After the restricted license has been held for 30 days a motorcycle-only license will be issued. If the individual has their Class D license with a learner “car” permit (restriction 9), the licensee will be issued their motorcycle license (endorsement M) with a “9” restriction for a car**

### **Failing the BRC**

Not everyone passes the Written Knowledge Test and /or Riding Skills Evaluation on their first try. Any individual who fails the Written Knowledge Test will be given the opportunity to retest. Any individual who fails the Riding Skills Evaluation will be given the opportunity to retake the entire evaluation at the discretion of the RiderCoach a fee of \$50.00. Your RiderCoach will provide you with instructions for returning to retest.

### **Being Counseled-Out**

Learning to safely operate a motorcycle is both mentally and physically demanding. It requires a great deal of coordination and control of hands, feet, body, and mind. Not everyone develops these skills at the same pace, and some individuals may find it impossible to reach an adequate level of skill. Your RiderCoach wants to see you succeed, but if they feel you have become a danger to yourself, or others, they may ask you to return at a later date.

### **Ride a Bicycle**

If you aren't already riding a motorcycle, and you haven't been on a bicycle in years, we suggest you dust off your old bike and take some rides around your neighborhood before you take the BRC. It will help you to get ready for the course.

Remember to **print out the map and directions**, and also review your schedule included in the e-mail.

We look forward to meeting you!
